The following 'free offers' will help you learn more about our Easier Way to Change Jobs System.

Print out this page— and then try out our free offers.

Our website contains a lot of information. But our series of 'free offers' will give you some added insights. Here's how it works.

1—Check out our main book on our system.

Scroll down our website to our 80 reports. First, you'll see our 112 page book. Here you can review the subjects we cover, and part of this fast-reading new book. To read it, just click on the book cover, and be sure to enlarge it to 'full screen.'

2—To review some of our 80 reports, click on the cover.

#73 10 Major mistakes job hunters make... and how to avoid them.

#74 How to raise your marketability.

#56 The 10 most popular career changes executives make.

#54 New career options for educators.

3—To listen to an audio click on the report and the audio will play.

Turn the volume up on your computer and our report.

Then click the start arrow.

#40 How to Maximize Personal Chemistry... a 7 minute audio.

4—Check out one of 6 quick reference books.

These 80 page books are highlights... for convenience in your search. Click on the cover 'Great Letters Which Won New Jobs.' Review some pages and see how helpful it can be.
